BRAND STRATEGY

This is where we lay the foundations to help your brand stand out and connect with your audience.

Together, we'll uncover what makes your business unique, craft a story that resonates, and build a clear plan to guide every decision moving forward.

- Naming
- Values, mission, purpose
- Positioning
- Brand personality
- Target audience
- Tone of voice
- Brand messaging

BRAND IDENTITY

Your brand deserves more than just a logo, it needs a personality and a look that feels uniquely you.

We'll bring your ideas to life with a holistic brand identity that grabs attention, builds trust, and makes your business impossible to forget.

- Logo/wordmark
- Colours
- Typography
- Icons
- Illustration/patterns
- Animation
- Social media templates
- Brand guideline

GET IN TOUCH FOR A CUSTOM QUOTE

A website needs to do more than just look good, it needs to function. So not only will your website impress its visitors, it will be clear and easy to use and built to convert fans into customers.

- Fully custom design
- Optimisation & responsiveness
- E-commerce (Shopify, Woo etc)

VISUAL IDENTITY SPRINT

Built for business who have already begun their brand building journey. For those who are keen to see how they could freshen up their visual identity without the need for a full scale re-brand.

WHAT'S INCLUDED

- A mini audit of current brand/assets
- Suggestions on how to improve
- Creative development: A look into how those suggestions could be implemented into your identity (includes branded mock-ups)

TIMELINE

5 days

SET COST

\$2,000

25% DEPOSIT REQUIRED

WEB SPRINT

Built for business who have already begun their brand building journey. For those who are keen to see how they could freshen up their website and drive more sales.

INFO

- A mini audit of current website
- Suggestions on how to improve
- Creative development of 5 core pages showcasing how those suggestions are implemented across the site
